Memo No. GCB/2025/777

Dated: 22/05/2025

Subject: Request for Signing Memorandum of Understanding (MoU) for Internship and Academic Collaboration

Dear Sir/Madam,

Greetings from Government College Bhuna.

As per the guidelines of the National Education Policy (NEP) 2020 and the updated syllabus scheme of Chaudhary Devi Lal University, Sirsa, it has become mandatory for higher education institutions to establish linkages with Different Department, Organization and industries through of MoUs and to ensure internship and industrial exposure for students as an integral part of their academic curriculum.

In light of this, we are keen to collaborate with you, and formally request the signing of an MoU between your esteemed organization and Government College Bhuna. This partnership will provide our students with valuable opportunities for internships, hands-on industrial training, and exposure to practical applications of their academic learning. It will also support faculty development, curriculum enrichment, and enhance employability among students.

We believe that your expertise and commitment to excellence make you an ideal partner in fulfilling these academic and national educational objectives.

It is a request for signing memorandum of understanding (MoU). We look forward to a positive response and hope to initiate this meaningful collaboration at the earliest.

Thank you for your time and support.

Warm regards,

Principal
Govt. College
Govt. College Bhuna (Fatehabad)

To

MEMORANDUM OF UNDERSTANDING (MoU)

Between

Government College Bhuna, Haryana

And

Gobind Electronics

This Memorandum of Understanding (MoU) is made on 23 may, 2025, by and between:

Government College Bhuna, located at Bhuna, Fatehabad, Haryana, hereinafter referred to as "the Institution",

and

Gobind Electronics, located at Bhuna, Haryana, hereinafter referred to as "the Merchant".

Purpose

This MoU aims to foster cooperation and collaboration between the Institution and the Industry to bridge the gap between academic learning and practical industrial requirements. It sets forth the terms under which the parties will collaborate for mutual benefit in the areas of education, training, research, and development.

Objectives

- Provide internship and industrial training opportunities for students.
- Organize workshops, seminars, and guest lectures by industry professionals.
- Support curriculum enhancement based on real-world industrial needs.
- Facilitate faculty development and industrial exposure programs.
- Promote collaborative research and development projects.
- Encourage placement and recruitment opportunities for students.

Scope of Collaboration

- **Student Development:** Facilitate internships, project work, and training sessions for students at Mars Instrumental Pvt. Ltd.
- **Faculty Engagement:** Conduct faculty development programs and technical interactions with company professionals.
- **Curriculum Support:** Offer feedback and suggestions for curriculum alignment with industry trends.
- **Innovation & Research:** Collaborate on research projects, innovation challenges, and technical development.
- **Employment Opportunities:** Enable campus recruitment drives and job opportunities for graduating students.

Validity and Termination

This MoU is valid for a period of three (3) years from the date of signing and may be renewed by mutual consent. Either party may terminate the MoU by giving 30 days' written notice to the other party, with or without assigning any reason.

Miscellaneous

This MoU is a statement of intent and does not create any legal or financial obligations. Any specific collaboration under this MoU shall be governed by separate agreements or arrangements.
